

Supplier Tips – Supplier Electronic Response

Have you tried to submit a bid, only to be informed that it was not complete. In most cases, it is missing the most important part of the bid, pricing. The 'Items' tab in the left column contains the pricing portion that buyers use to compare your bid to others. This is where you can provide pricing using an Excel spreadsheet or input the required information into the line item. Please see example below:

The screenshot displays the eVA Supplier Electronic Response interface. The left sidebar contains a navigation menu with the following items: Overview, Response Information, Discussions, Item (highlighted with a blue arrow), History, and My Team.
